

Wall-mounted cabinet speaker - BBR-WAL 165/6 PP

Voice alarm system
Product datasheet

Wall-mounted cabinet speaker

Attractive wall-mounted cabinet speaker for voice alarm. Equipped with ceramic terminal block, thermal fuse and a temperature resistant cable, providing increased security in case of a fire.

BBR-WAL 165/6 PP is approved according to EN 54-24:2008. Characteristic for the BBR-WAL 165/6 PP is the premium MDF-wood housing whose robustness is featured by the IP54 degree of protection. The integrated 165 mm full range chassis guarantees an excellent frequency response and is suitable for the acoustic irradiation in almost every room.

| Technical specifications | |
